A NOTE FROM THE BAPTIST COMMUNITY CENTER MISSION

On Wednesday, March 27th, we lost the matriarch of the Baptist Community Center Mission, Pat Mustoe.

Pat faithfully served as the mission director for over 50 years. She set the tone for the love and compassion that we strive to provide still today. She boldly proclaimed Jesus to all she met helping change eternity for countless people. 2 Timothy 4:7 says "I have fought the good fight. I have finished the race. I have kept the faith" and this perfectly exemplifies Ms Pat.

Thank you Pat for the example you set for all of us on how to love God and love people. You have achieved your lifelong goal of being with Jesus.

The Salvation Army's Adult Rehabilitation Centers serve as a beacon of hope to people seeking help with substance abuse and life issues. Their programs focus on the physical, emotional and spiritual-wellbeing of the people who choose to participate. The rehabilitation program is a 180-day residential work-therapy program that helps people recover and opens doors for a full life afterwards. We are thrilled to see transformed lives as Jesus moves to set people free. Participants receive rehabilitation training and support in a loving, Christian environment with the goals of better understanding themselves as well as experiencing a changed life. This program is free for adult men who are 21-65.

Vacation Bible School

Every summer it is exciting to hear the reports of the number of boys and girls who have come to faith as a result of Vacation Bible School (VBS). It is also exciting to see how our churches share their VBS backdrops and materials with other churches. If you know that you will have materials that you can donate to another church, please call the ABA office and let us know when your VBS is going to be, when you are going to be finished and the theme and program you have used for your VBS. We will connect you with other churches that are looking for the same kinds of materials.

If we can help you in any way with your vacation bible school, let us know. GuideStone Property and Casualty offers resources for churches hosting VBS at the following link:
